

References Références

Updated June 2026

Reference Texts/Textes de référence

This list contains reference material recommended in Faculties of Dentistry in Canada. The NDEB also references journal articles and clinical guidelines and practice standards issued by specialty organizations.

Cette liste contient les textes de référence recommandés par les facultés dentaires du Canada. Le BNED utilise également des références provenant d'articles de journaux scientifiques et de directives cliniques et normes de pratique émises par les associations des différentes spécialités dentaires.
