## Software and Sample Files Oral Medicine and/or Oral Pathology and Oral Pathology Only/

Logiciel et exemples de fichiers Médecine buccale et/ou Pathologie et Médecine buccales seulement

---

During the examination, you will be provided with a laptop on which you will find the software and case files for Part 1.

In preparation for the examination, you will be provided access to a series of practice files that can be loaded Leica Aperio ImageScope pathology slide viewings software. A link to the sample files will be sent to you through the secure messages feature of your NDEB profile once you have applied and identified oral medicine and/or oral pathology or oral pathology as your specialty.

### Leica Aperio ImageScope

You can download Leica Aperio ImageScope from <http://www2.leicabiosystems.com/l/48532/2019-01-03/7bs4rq>

Pour l'examen, on vous fournira un ordinateur portable sur lequel vous trouverez le logiciel et les fichiers des cas de la partie 1 de l'examen.

Afin de vous préparer à l'examen, vous aurez accès à une série de fichiers de pratique qui pourront être téléchargés avec le logiciel de visionnement de diapositives Leica Aperio ImageScope pathology. Un lien pour accéder à ces fichiers de pratique vous sera envoyé via un message sécurisé sur votre profil en ligne du BNED une fois votre inscription complétée et que vous aurez identifié votre spécialité en médecine buccale et/ou pathologie buccale ou pathologie buccale seulement.

### Leica Aperio ImageScope

Vous pouvez télécharger le Leica Aperio ImageScope en cliquant sur le lien ci-dessous. <http://www2.leicabiosystems.com/l/48532/2019-01-03/7bs4rq>
