

Tips for REGISTRATION

DO

KNOW YOUR OPTIONS

The locations on your profile update in real time. You will only see options with space available.

DOUBLE CHECK BEFORE CLICKING

Once a location is in your cart, you won't be able to remove it.

If you get disconnected, it will still be in your cart. No need to add it again.

HAVE A CREDIT CARD READY

Visa or MasterCard are accepted.

ASK FOR HELP: CONTACT THE NDEB

Need something removed from your cart? Contact the NDEB.

We are ready to help by phone or by e-mail.

DON'T

USE A MOBILE PHONE OR TABLET

The site is best accessed using laptop or desktop computer.

LOG IN USING MULTIPLE DEVICES

Registration errors are likely to occur when using multiple devices to log in. For best results, log in on a single device.

PAY WITHOUT CONFIRMING

Don't pay for a seat you don't want. If you request a refund, you will be charged an administrative fee.

PANIC, WE'RE HERE TO HELP

We know technical glitches can be frustrating. If they happen, contact us for help.

If there are no spaces when you try and register, seats may become available as others withdraw or capacities limits change.
