## Reference Texts/Textes de référence

---

*This list contains reference material recommended in Faculties of Dentistry in Canada. The NDEB also references journal articles and clinical guidelines and practice standards issued by specialty organizations.*

*Cette liste contient les textes de référence recommandés par les facultés dentaires du Canada. Le BNED utilise également des références provenant d'articles de journaux scientifiques et de directives cliniques et normes de pratique émises par les associations des différentes spécialités dentaires.*

Adibi, S., Hargitai, I., Greene, C., Gardner, P. (2017). *AAOM clinician's guide to diagnosis and treatment of chronic orofacial pain*. (4<sup>rd</sup> ed.) Rosemont: American Academy of Oral Medicine.

American College of Dentists. (2016). *Ethics handbook for dentists: an introduction to ethics, professionalism, and ethical decision making*. Maryland: American College of Dentists.
